## **May 19th, 2019 -Youth Sunday**

Come hear the Young Disciples sing and play special music at the 10:30 am service. Following the service, there will be a reception honoring high school graduate, Harald Borg, Lizet Nelson, Thomas Dean and Peyton Holland. If we have missed your graduate please let the church office know and we will feature them next week.

Harald will graduate with honors from Bartlesville High School on Friday, May 24th. Next year, he will attend St. Olaf College in Northfield, MN where he will play baseball while pursuing a degree in biochemistry and hopefully join a choir. His senior year in the community, he has volunteered at CONCERN, attended Fellowship of Christian Athletes, been a K-Life small-group leader for 8th graders, umpiring youth baseball, and is active in YD and serving as an acolyte at St. Luke's. At school, he has been concert master violinist for the symphonic orchestra, sang in the jazz choir (audition required), was selected to the all-district choir for his 6th year in a row, was in National Honor Society, played varsity baseball, and finished 2 Freshman online classes just in time for graduation 😊 Harald loves to be active with his friends of all ages

and has been known to pull together a wiffleball game or basketball tournament on a moment's notice. St. Luke's has been a big part of Harald's life since he started coming here when he was 5 years old. The love, support and wide-open arms have been important to him along the way and he wants to thank all of you for making a difference in his life.

Lizet Nelson is graduating from Bartlesville High School. Lizet plans to take a gap year to travel. She is also interested in working for a while to experience the field of banking. Lizet has studied early childhood the last two years, and enjoys that immensely, but wants to concentrate on a future career so she will know exactly what to study in college.

Thomas Dean is the oldest of Tracy and Father Steve Hood's children. He is graduating with honors on June 8th from Plano West High School in Plano, Texas. Thomas was active in marching band, jazz band, and symphonic band and served as a drum major this year. He will attend Texas A&M University in the fall where he's been admitted to the School of Engineering. He's also been accepted into the Fightin' Texas Aggie Marching Band and will be a member of the Corps of Cadets. Gig 'em Thomas!
