Is Your Pledge Up to Date?

The congregation responded enthusiastically to the “St. Luke’s Way” stewardship campaign to fund this year’s church operations and activities, with many members increasing their financial support for 2019. Now, five months through the year, there are signs that the church is falling behind in the receiving the financial commitments of some members.

As the table below indicates, so far this year we are almost \$26,000 short of what had been expected in the Jan-May time period (see Variance column, top right). Although this number is somewhat overstated because the offerings in the last week of May were not deposited until the first week in June, it’s estimated that we are still running about \$20,000 deficit so far this year.

It’s important that pledges be as up to date as possible, because otherwise the necessary funds for the day-to-day operations of St. Luke’s must be drawn down from our limited reserves. So please check your records to make sure your pledge is up to date. If you have questions about the amount of your pledge or whether it’s up to date, please contact Dennis Mueggberg at 918-914-0232 or drmuegg@gmail.com

Thank you for your continuing support of St. Luke’s. – The Stewardship Committee
