

What is Realm?

Realm is a real ministry tool.

Realm is an online ministry tool designed for real time connection. It helps St. Luke's connect with you and you connect with us. If you consider yourself part of this church family, you'll love it. Realm allows you to manage your personal information and who is allowed to see it, control your giving, and keep in touch with the groups that matter to you.

Why use Realm?

Realm strengthens church connections.

Being the church doesn't just happen at the church. Realm helps us serve you better and leads this church well between Sundays. Everyone can be connected from anywhere at any time, right from our mobile devices. It engages everyone in the life of our church by supporting the healthy relationships essential to our church's mission. We'll stay organized, and you'll stay informed about all of the opportunities for fellowship. When we share life together, we will grow together.

What about my privacy?

Realm is safe, private, and secure.

Your privacy is one of our greatest concerns as well as yours. Realm is only made up of the people in your church, it's not like a social network that's open to everyone. Realm keeps your data safe and gives you control over what information you share and who can see it.

How do I start?

Follow a few simple steps.

If you haven't received an invitation to join Realm yet:

1. Call Penny Williams in the church office at 918-336-1212 or email her at StLukesBartlesville@outlook.com. Ask her to send you your Realm invitation.
2. Watch your email for an invitation from Realm, then follow the easy instructions.
3. Your Realm login works on your home computer *and* on your mobile devices, so when you sign into Realm, use the login you created in step 1 for the computer or the app.
 - ✓ Check to make sure that we have your address and other personal information entered correctly under My Profile. If anything is incorrect, you can change it.
4. If you have any questions, contact Nancy Woods at Nancywoods120@gmail.com or call her at (918) 914-3263.

Let's get connected.
